

## Duplex LC Type

Application: Connection of same or different type of connector

Telecommunication network

Test equipment

LAN

Optic fiber CATV

FTTH

Reference: IEC61754、YD/T1272

Material:

RoHs compliant

Flame-retardant: customer specification

Characteristics: Excellent intermateability

High accuracy machine dimension

High reliability and stability

Excellent repeatability and interchangeability

Single mode and Multi-mode available

Index:

Insertion loss:  $IL \leq 0.2\text{dB}$

Repeatability:  $\leq 0.20\text{ dB}$

Frequency of usage:  $\geq 500$  times
