

Simplex SC Type

Usage: Connection of the same or different connectors
Communication network
Test equipment
LAN
Optic fiber CATV
FTTH

Reference standard: IEC61754、YD/T1272、GR326

Material:

Compliance with ROHS

Fire resistance: according to the customer demand

Characteristics: Good compatibility
High-accuracy mechanical dimension
High reliability and stability
Good durability and interchangeability
Single mode & multi mode optional

Index:

Insertion loss: $IL \leq 0.20$ dB

Durability: ≤ 0.20 dB

Frequency of usage: ≥ 500 times
